TECHNICAL SPECS

This space is equipped with a large 6m wide LED screen wall, professional colored stage lighting, a microphone, headsets and a high-end sound system.

Our technical team can facilitate all your technical wishes, while you concentrate on the content.

SET UP

Our 278 sq.m Disruption Hall can fit up to 45 people in theatre seating, or 15 people in classroom/boardroom setup. If you would like to extend the space, we can adjust it according to your needs.

FOOD & BEVERAGES

All events can be catered by our fantastic in-house restaurant. Breakfast, brain food, after works, fine dining - whatever you like, our restaurant can make it happen. Handpick your favorites or let us create a tailor-made offer.

HEALTH

We're located in the healthiest building of the Netherlands. Topics like circularity, sustainability and wellbeing are very important to us. To improve your energy level, we can offer a workout or mindfulness session to your (online) event.

DIGITAL EVENT

Are you looking for a great way to professionally host all types of meetings and events digitally, without having to gather a large number of people physically?

Create an event that lasts longer than the actual meeting date. With our services, you are able to reach your target audience independent of special circumstances.

FUN

Want to create a magical experience? Add an energizer, icebreaker, coffee chat or teambuilding activity to your (online) meeting or event.
